## **I. Zoning Application**

The Zoning Administrator shall only accept a complete application prior to approval of a Zoning Certificate of Compliance. All information shall accurately describe the property, building, existing and intended uses and shall be accompanied by an acceptable and professionally prepared site plan and building plans accurately drawn and to a reasonable scale showing all changes, modifications, renovations to new or existing buildings.

## **II. Site Plan**

The site plan shall be prepared by a licensed surveyor or licensed civil engineer and shall clearly illustrate the following minimum requirements, unless waived by the Zoning Administrator. A drainage & grading site plan showing actual and final elevation are **ABSOLUTELY** required for **ALL NEW BUILDINGS**. Site plans shall show:

- Actual *dimensions of the lot*, including all easements, utilities, topography and drainage.
- The exact *size and location of all buildings and structures*, including all stormwater, water & wastewater utilities, parking lot layout, landscaping standards, signage, property lines, setbacks, etc. as required by Zoning Code.
- The exact *size and location of all proposed changes*, additions or modifications to the property.
- The existing and *intended use* of all parts of the land or buildings.
- Final elevations and final floor levels for all new construction are required on site / building plans.
- Inter-agency review should address the provisions for:

### **1. Water & Wastewater Treatment (County Health Dept., OEPA)**

A letter or other documents indicating approval from the Franklin County Board of Health and/or the Ohio Environmental Protection Agency, as directed by the Zoning Administrator.

### **2. NPDES II – Stormwater-Erosion Control Plan / FEMA Floodplains (County Soil & Water District)**

A plan prepared by an engineer showing any and all impacts to surface drainage, existing and final contours, disturbed areas, and floodplain mitigation as well as concordance review by the Franklin County Soil and Water District and/or Franklin County Drainage Engineer, as directed by the Zoning Administrator for NPDES and FEMA compliance.

### **3. Access, Pavement and/or Grading Plan (ODOT / County Engineer)**

A plan prepared by an engineer showing detailed ingress and egress from the public highway, including pavement profiles for construction, drainage and traffic safety as directed by the Zoning Administrator.

### **4. Parking Lot, Landscape & Signage Plans**

A detailed parking lot layout showing required parking stalls, a detailed landscape & signage plan prepared by a designer indicating the requirements of the Zoning Resolution, as directed by the Zoning Administrator.

### **5. Township Fire Prevention & NFPA Life Safety Code**

A plan or letter indicating review and compliance by the Jackson Township Fire Prevention Officer shall accompany all commercial use applications.

## **III. Other Information**

Any other information with regard to the lot, the proposed structures or uses and neighboring lots as may be necessary to determine and provide for enforcement of the Jackson Township Zoning Resolution.

## **IV. Notary**

The Certificate of Zoning Compliance must be notarized. During regular office hours, a Notary Public is available. The Jackson Township Zoning Office is open **9:00 am to 4:00pm, Monday thru Friday**.

## **V. Fees**

A check or money order made payable to “Jackson Township Fiscal Officer” must accompany the application.

**Commercial Properties**                      **\$75 + \$15** per every 1,000 sq.ft. of building structure or portion thereof.

## **VI. Approval**

An Approved Certificate of Zoning Compliance shall be **valid for a period of six (6) months** from the date of issuance. Construction must start within six (6) months from the date of issuance; else the Certificate of Zoning Compliance is Void. Work described in the Certificate of Zoning Compliance must be **substantially completed within one (1) year** of the date of issuance or be revoked upon written notice of the Zoning Administrator.
